

2019 Annual Report

FROM OUR BOARD CHAIR

Here we are again, the start of another new year and 2019 was certainly a whirlwind of one. Those of you that attended the member meeting last year might recall a lot of goals being presented. One of those goals was to fund and hire an actual executive director. This is something that we've struggled with for a number of years now and still do to this day. Regardless of that stumbling block we've continued on our mission to Recycle- Reclaim- Empower.

Every year we gather numbers for various things and in 2019 we've managed to increase a lot of those numbers. We saw more volunteer hours, increased the number of volunteers, reclaimed more bikes and recycled so much more than ever before. In contrast, one thing that we did see drop slightly was our membership numbers.

Last year I put out a challenge for people to get involved and to do more, this year we need to dig even deeper and continue on that challenge. That means that any time and any skill that you can bring to benefit Key City Bike we appreciate it and we definitely need it. Being a member and encouraging others to join is a great way to start helping out. We want to see those member stickers and shirts out in the community spreading the good name and mission of KCB.

Volunteers is something I can't stress enough. We are always needing more volunteers and even small contributions of time can lead to big results. Thanks for supporting Key City Bike and let's get out there and ride.

Brian Gosewisch, Board Chair - Key City Bike

OUR MISSION

RECYCLE. RECLAIM. EMPOWER.

Key City Bike is a 501(c)3 nonprofit, volunteer run, community bike space aiming to:

- Educate community members about cycling and bike mechanics.
- Provide a safe and positive workspace for anyone to fix their bicycle.
- Reduce environmental impact by up-cycling and recycling donated bicycles and parts.
- Expand bike culture.

BOARD OF DIRECTORS

Brian Gosewisch
Chair

Zach Brooks
Vice Chair

Brady Taylor
Secretary

David Sieberg
Treasurer

Eric Bunde

Member at Large

Jessica Myer

Member at Large

Joe Madson

Member at Large

Acacia Wytaske

Member at Large

OUTREACH - PROGRAMMING & EVENTS

MONTHLY

Sunset Cruise - Group rides to watch the sunset at a new spot each month

Chilly Willy Ride - Group rides to encourage biking throughout winter months

ANNUALLY

WheelWorks - Bike inspired art exhibition

Member Meeting - Board elections and updates for the members

Summer Solstice S240 - Overnight bike-camping near Mankato
